Filing for a Planned Development Zoning Change

Prior to filing an application for a Planned Development Zoning Change, it is recommended that you request a "pre-application" meeting with the Planning & Development Director. During this meeting, application requirements will be identified and review procedures explained. Generally, the process is as follows:

- Legibly complete all requirements of the forms; including any necessary supporting documents.
- Follow the instructions itemized in the attached "Planned Development (PD) Submittal Requirements" form and provide 1 complete set of all application materials and maps. The Applicant may deliver these materials at any time to Planning & Development.
- The Planning Tech will contact the Applicant with the amount of the application fees and the number of additional copies needed. Application fees are calculated on a case-by-case basis in accordance with the Planning & Development Fee Schedule. Fees paid to Planning & Development are nonrefundable.
- After the agency review period, a summary of the agencies' comments will be mailed to the Applicant. After a response period for the Applicant to resolve all issues, the public hearing will be scheduled for the Planning Commission meeting. *The Planning Commission meets on the 4th Thursday of the month [except November and December, 3rd Thursday, due to holidays] in the Commissioner's Boardroom, 161 S. Townsend Ave, Montrose, Colorado.*
- A minimum of fourteen (14) calendar days prior to the Planning Commission public hearing the Planning & Development Staff shall place a notice of the hearing in a newspaper of general circulation in the County and notify the property owners that are located within 1320 feet of the subject property. Upon notification by P & D Staff, the Applicant is responsible for posting the property with the required 20" x 17" Public Notice sign(s), provided by the P & D Staff.
- Placement on the Board of County Commissioner's Agenda will occur after the Planning Commission hearing and after all requirements have been adequately addressed. A minimum of fourteen (14) calendar days prior to the Board of County Commissioners public hearing the P & D Staff shall place a notice of the hearing in a newspaper of general circulation in the County. *The Board of County Commissioners meets on the first and third Mondays in Montrose, holidays excepted.*
- It is recommended that the applicant, or a knowledgeable representative, be present at both the Planning Commission and the Board of County Commissioners hearings and be prepared to provide a concise review of the project proposal.
